

Message from AAUW California Action Alert Network sent on 11.16.25

Subject: AAUW California - Pass H.R. 4405/S. 2557 Epstein Files Transparency Act

You are receiving this email because you opted into the AAUW California Action Alert Network.

Dear AAUW California Activists,

Please sign AAUW California's Resistbot petition to send an email to your Congressional Representative and U.S. Senators, urging them to support the release of the Epstein Files being held by the Department of Justice. The survivors of Epstein's crimes and the wider public deserve full transparency to ensure accountability and restore trust that justice is being served - for all and by all.

- Use your mobile device and text "SIGN PBWCKG" to 50409. This will allow you to read and then send the letter automatically to your Congressman and U.S. Senators.
- For those who prefer not to use the Resistbot texting feature, you may use the attached form letter.
 - Make three copies - one for your congressional representative and each of your two U.S. senators.
 - Fill in their name, title, and address details in the yellow highlighted areas at the top of the letter.
 - Fill in your name in the yellow highlighted area at the bottom of the letter.
 - Find congressional representative details here: [Find Your Representative | house.gov](#)
 - Find U.S. senator details here: [U.S. Senate: Contacting U.S. Senators](#)

Thank you for taking this important action to support the Epstein survivors and demand justice and accountability.
